a brief church history - toknowchrist - a brief church history prepared by mark paynter th.d. (founder of making christ known ministries) outline in this article i would like to explore **calvinism, arminianism & the word of god: a calvary chapel ...** - perhaps no issue is as important or as potentially divisive as the doctrine of salvation, reflected in the debate between followers of john calvin (1509-1564) **the brothers and sisters of jesus his cousins** - subsequently to jesus since they give advice to jesus (mark 3:21; john 7:3-4) and it would not have been normal for younger brothers to advise older brothers.
